# Young Adult Ministry

The office of Youth and Young Adult ministry for the Diocese of Knoxville is in the process of developing and outreach to young adults beginning with a focus on two different groups. The first group would be young adults age 18 through 20 and the second being those young adults in their 20's and 30's.

Our Goal is to get input and feedback from these different groups of people to establish regional groups with varying interests throughout the diocese.

Please fill out the form below and place in the offertory basket during the mass or go online and share your input at our facebook fan and group pages. Members of our ministry formation committee will be in contact with you in time for a Lenten evening reflection planned to take place by the middle of March.

Plans are being developed presently to have opportunities for service, bible study, 'Theology on Tap' and "Why Catholic" groups specifically for young adults to meet with other Catholics in their area.

During the next few months your input will be necessary to be sure we are meeting your needs. Feel free to contact either Nate or myself should you have any questions.
